

Homeopathic Remedies for Chickens and Birds

We make homeopathic remedies for all animals. Below are our most common remedies that you would use to assist you with keeping healthy birds. These apply to any bird – chickens, turkeys, finch, canary, etc. All remedies can be given individually or as a flock into food or water. We also have a full dispensary, so if there is a remedy you would like or you have a particular animal health problem that is not below, then please just ask. Remedy prices from: 25ml \$17.60, 50ml \$25, 100ml \$35, 200ml \$50-55 and 500ml \$80-85. All purchases over \$72 are freight free.
